Soft Skills

Attention to Detail

Adaptability and Continuous Learning

Problem-solving and Critical Thinking

Work Experience

● HTML, CSS AND JAVASCRIPTS

I built a user-friendly e-commerce frontend that utilizes an API to allow customers to select product quantities and complete purchases.

● REACT

I developed several React projects, including a Pokedex application that allows users to search and filter Pokemon by various characteristics.

● NODE JS

Here's a revised version of your sentence:
I designed and implemented multiple APIs using PostgreSQL, utilizing various relationship models (one-to-many and many-to-many) to support applications like movie databases, song libraries, and e-commerce platforms.
